

FIG. 1a

FIG. 1a is a graph showing the relationship between the x-value and the data value. The x-axis ranges from 0 to 200, and the y-axis ranges from -2 to 10. The data points are represented by asterisks, and a standard fit curve is shown. The curve starts near zero, rises to a peak of approximately 8.5 at x=180, and then slightly declines.
